GLORIA'S STORY

Meet Gloria
Gloria is one of our students at AWSHS and is just starting in form 2 Home Economics. Gloria is 17 years old and is originally from Accra. She grew up in extreme poverty, but now thanks to your help through the student sponsorship programme, she can complete her secondary school education and pursue her dream of being a nurse. Gloria's dad passed away many years ago, and she misses him greatly. She is currently staying in Awutu Breku at her grandmother's house to be closer to the school, but this is still a distance away. The completion of the hostel accommodation near the school has ensured that she does not need to travel too far to get there.

Gloria loves coming to AWSHS because of the serene environment, which helps her study. When she finishes Senior High School, she wants to go on to nursing school and specialise in maternity health. Gloria wants to support vulnerable women who come to the hospital to give birth but have been abandoned by their family. She aspires to help these women have safe births and give them the emotional support they desperately need to thrive. Gloria is a rising star because of your gift!
